VOL. 7 NO. 22

Published every other week

NOVEMBER 25, 1963

GIRL SCOUTS IN FREELAND ORGANIZED

--

At the last meeting of the Freeland Area Girl Scout Leaders, the following report was given by Troop Organizer, Mrs. Maurice J. Bailey. There are 40 leaders, assistant leaders and troop committee members, 5 program consultants and 3 neighborhood service team members to serve four Brownie Troops which include 76 girls who are 7 or 8 years; Three Junior Troops which include 78 girls who are 9, 10, 11 years; One Cadette Troop of 16 girls, who are 12, 13, 14 years old, a total of 170 Girl Scouts.

All of the leaders have or will be taking advantage of the training courses offered by Mitten Bay Council in Midland or Saginaw. In addition, they can get further help from their Troop Consultants, Mrs. Carl Marcy or Mrs. Floyd

Campbell.

Soon the troops will be selling the 1964 Girl Scout Calendar for 35¢. The profits go directly into their troop funds to help finance their program activities.

Mrs. Don Ferrio, of Auburn, Fre-au-ka Neighborhood Chairman, presented a service pin guard of 15 years to Mrs. Floyd Campbell and a 10 year pin to Mrs. Maurice Bailey.

Twenty eight Girl Scout patrol leaders and assistants will attend a training course in Saginaw on November 23 to learn how to become capable patrol leaders. They will be accompanied by their adult leaders.

Thanks and appreciation is extended to the following adults who are serving their com-

munity by providing scouting to the girls of Freeland:

Ten Things You Cannot Do

You cannot bring about prosperity by discouraging thrift.

You cannot strengthen the weak by weakening the strong.

You cannot help small men by tearing down big men.

You cannot help the wage earner by pulling down the wage payer.

You cannot further the brotherhood of man by encouraging class hatred.

You cannot help the poor by destroying the rich.

You cannot establish sound security on borrowed money.

You cannot keep out of trouble by spending more than you earn.

You cannot build character and courage by taking away man's initiative and independence.

You cannot help men permanently by doing for them what they could and should do for themselves.

Freelander To Take New Post

Mr. Al Harvie, 9654 Elmwood Drive, Freeland, will leave December 2nd for Lansing to take over the duties as Director of the State Construction Safety Commission. The nature of the work will be the administration of the new Safety Law as pertaining to Construction Safety. At present, Mr. Harvie is with Consolidated Construction Company, Bay City, as a civil engineer.

Locally, he has been very active in community affairs, being a member of the school board, for the past three years he has served as scoutmaster of Freeland Troop 136, Little League Baseball, and is past member of the Lions Club and the Community Council. Plans for the moving of the family to a new home in Lansing are not yet complete.
